## WE NEVER SAY BUY OR DON'T BUY

Our clients often ask us “should we buy this house?” We never answer that question because it’s not our place to give that kind of advice. Our job is to help them understand what they are buying so that **they** can make a good decision.

After we tell them that we can’t give advice regarding buy or don’t buy, they often say “okay, would you let your daughter by the house?” Then, we stick to our policy and repeat “we can’t advise you to buy or not to buy. That’s just how we roll.”

We hope you agree with this approach.
